

Stonewall Orchard Golf Club

Just northwest of Chicago, Stonewall Orchard has been recognized as one of the top public courses in the Chicago area.

Designed by renowned golf course architect Arthur Hills, hailed as the world's No. 2 designer by Golf World Magazine in 1998, the course features more than 65,000 fully mature pine and oak trees to the acres and acres of rolling hills, tranquil wetlands and wildlife; natural qualities often associated with golf in the Carolinas.

About Spina Bifida

Spina Bifida affects one out of every 1,000 newborns in the United States.

Spina Bifida is the failure of the spine to close properly during the first month of pregnancy, resulting in varying degrees of paralysis, loss of sensation in the lower limbs, bowel and bladder management difficulties, and learning disabilities.

For over 40 years, as the leading provider of direct and support services in the Midwest, we've helped thousands of individuals and families affected by Spina Bifida through camps, weekend retreats, special education planning, information and referrals and support groups.

Swing For Spina Bifida

The Spina Bifida Association of Illinois will be holding the Fall Swing for Spina Bifida Golf Outing on Thursday, September 16, at Stonewall Orchard Golf Club in Grayslake, Illinois.

Your support of Swing for Spina Bifida ensures that we're able to continue to pioneer programs that help meet the needs of more than 4,000 people throughout Illinois and northwest Indiana.

Thank you for your support and generosity.
