

Camp Independence Mentors Program

Sending your child to camp is exciting, but we also understand that you may feel nervous or have questions. The Camp Independence Mentors Program allows you to connect with other parents, children, teens and adults who are all campers at Camp Independence. We encourage you to call a mentor to talk about any questions you have about camp (your child being away from home, anxiety, packing, programs, camp experience, and application process). All questions are good questions!
